ALEXANDRA McHALE

STEVEN SCOTT

GARY VIDER

Our headliner, **Steven Scott**, is a comedian, actor and host whose unique and tasteful brand of comedy combines clever observations of his everyday life with his amazing vocal talents, which include an array of characters, voices and sounds ranging from celebrities to musical instruments. Described as a perfect mix between Jerry Seinfeld and Jim Carrey, Steven loves getting paid now to do exactly what used to get him in trouble as a kid. He has traveled to all 7 continents, performing comedy clubs, conventions, cruises, colleges, festivals, roasts, military bases and major stages from Broadway to the Las Vegas Strip. He has had the privilege of performing with some of the biggest names in show business, both on stage and on screen with numerous television appearances on shows for **NBC, CBS, FOX, VH1, MTV, Comedy Central**, and, most recently, **Gotham Comedy Live on AXS TV**. His multifaceted voice can be heard in many commercials and video games.

**Alexandra McHale** was thrilled to make her network debut on **NBC's The Tonight Show with Jay Leno**. She's also been seen on **CBS's The Late Late Show with Craig Kilborn, Comedy Central's Premium Blend** and **New Joke City with Robert Klein** on the Metro Channel. After her appearance at the prestigious **Montreal Just For Laughs Comedy Festival**, The Hollywood Reporter cited Alexandra as one to watch "who scored points with quick barbs". Alexandra grew up in Connecticut before relocating to New York City, where she became a lifetime member of the prestigious **Actors' Studio** and studied with acting greats such as **Paul Newman, Sally Field and Ellen Burstyn**. In addition to appearances on network television, Alexandra has headlined at over 300 colleges and was voted 2002 and 2003 Female Entertainer of the Year by the readers of **Campus Activities Magazine**, been nominated for 2005 Female Entertainer of the Year and was nominated Performer of the Year by the Association for the Promotion of Campus Activities.

In the history of NBC's hit show "America's Got Talent", only four stand-up comics have made it to the final ten. **Gary Vider** is one of them. Gary made his TV stand-up debut in 2014 on "**Conan**". Gary's other TV appearances include **AXS tv's "Gotham Live"** and "**Comics Unleashed with Byron Allen**". He has been heard on **SiriusXM's The Jay Thomas Show** and **The Sam Roberts Show**. He has performed nationally in comedy festivals such as **Bridgetown** and **Laughing Skull**. In 2014, Gary placed 1st in the **Carolines on Broadway March Madness Competition** where he beat out 63 of NYC's best young comedians.
